February Monthly Meeting

We enjoyed a very entertaining, informative February meeting listening to our guest speaker, Carol Duncan. Carol is a passionate advocate for Newcastle local history. Her belief is that 'You cannot know where you are going if you don't know where you've come from.'

Carol told of her few memories of family history in her childhood and her desire to know more. She also spoke at length about her Lost Newcastle Facebook page, now having over 67,000 members. This page is wonderful with so many members posting memories and photos of their time growing up in the Newcastle region.

Carol is also very keen to work with Newcastle Family History Society to promote the Society and encourage more people to join this wonderful organisation.

Membership Renewals

A reminder that membership renewals are due by 1 March 2022. Your membership is important to the existence of our Society and we look forward to our current members renewing as well as welcome new members too.

Your membership renewal form is attached to the email with this newsletter.

Covid update and Duty of Care

Covid update

From 21 February, most Covid restrictions will no longer apply in our state.

When visiting the rooms will you please:

- Sign in using the visitors' book.
- Check your temperature.
- Wear a face mask to protect yourself and our members from colds, flu and Covid infections.
- Wipe down your work area and chair with disinfectant wipes after your use.
- Place books on tables or boxes to be reshelfed by duty librarians after their quarantine and use.

The kitchen will reopen. Tea and coffee will be available for members and friends. Just check the cup, the glass, the spoon and make sure it is clean, after its two-year hibernation. Please clean up the kitchen after your use.

Come and enjoy our rooms and resources, as you research your family history. Chat with and share brick walls and break throughs with other members.

Duty of Care

We have a duty of care for all our members and we care about your wellbeing. Therefore, if the temperature reaches 35°C, we will close the rooms at the NFHS and ask everyone to return home.

We now have a grant to air-condition our rooms, however the funding will not be released immediately, so until then we must still close when temperatures soar.

To protect our vulnerable members, we will continue to wear face masks at the rooms.

Journal and Newsletter

General

The eTeam welcomes new members who enjoy writing to join us and help contribute to the quarterly journal. Everyone loves to read their journal, however without contributions it wouldn't exist. Please share your family or local history story.

Regarding Publications:

Publications is a way our Society makes money. Over the years NFHS has produced some well researched publications that have not only added to our income but have documented essential local and family history about Newcastle and we continue to spread the word.

People who have volunteered to take on a coordinator role for a publication work at their own pace. Sometimes they require assistance with the coordination and sometimes they work alone. Whenever family histories form a section of the book the coordinator will likely ask for individuals to contribute. If they do please consider contributing an article if you are able.

Following is a list of publications in the pipeline:

- Elizabeth Guilford convict database (Beth and Greg)
- Newcastle Crematorium (Bill)
- Understanding Industrial school admissions and the missing names (Jane)
- The Convict Bonnets (Mel)
- Minmi Cemetery revision (Jane, Pat and Ros)
- Newcastle cemeteries and crematoria: a guide (Pat)

Currently on hold:

- Newcastle Rate books (Ken)
- Wallsend (needs convenor)

A list of other suggested topics may be found in the Current Publications report in the Members Area of the website

Any further ideas that members have that they may like to suggest or coordinate will be very welcome.

March Journal

The March issue on the Port of Newcastle will be available for collection from the rooms on the first Saturday in March. People whose Journal arrives by email or who pay for their Journal to be posted should also receive their Journal at approximately this date.

June Journal

The theme for the June journal will be Military Matters. What military connections can be found in the history of your family? Did any member serve as a soldier, sailor, airman or nurse, on the home front or in one of the many theatres of war throughout the history of your family? How did you uncover your connections? A contribution on all things Military will be greatly appreciated and we have already received a couple of articles.

Please send your submissions to nfhseditor@gmail.com by 7 May.

The eTeam always appreciates your valuable contributions.

Windsor and Surrounds 25-27 March 2022

We are hoping to go to visit the Windsor region, the region Governor Macquarie placed his stamp upon. The Macquarie Trail will take us to Pitt Town, Richmond, Wilberforce and Windsor. We will visit historical buildings, museums, marketplaces, cemeteries and churches, convict barracks.

Governor Macquarie was tasked with establishing suitable townships in the fledging Colony: "to lay out townships of a convenient size and extent". He established the five townships of Windsor, Richmond, Wilberforce, Pitt Town and Castlereagh on the high ground in various parts of the district. This area will be the focus of our visit.

We can take walking tours of the townships of Windsor and Richmond. We can spend hours exploring the many historic cemeteries in the area, including:

- St. Matthew's Anglican Cemetery
- Windsor Presbyterian Cemetery
- Windsor Catholic Cemetery
- Richmond Catholic Methodist Lawn Cemetery
- Richmond War Cemetery
- Richmond Presbyterian Cemetery
- Pitt Town Old Cemetery
- Ebenezer Cemetery
- Wilberforce Cemetery

We can visit Ebenezer Church, Australia's Oldest Church, being established in 1809. As well as the Church and cemetery, there is the Schoolmasters House and for those feeling a little peckish, Devonshire teas. At Wilberforce, we can spend time wandering around the Australiana Pioneer Village. This village is set on 28 acres on the banks of the Hawkesbury River.

There is a multitude of things to do and see or you can simply relax overlooking the Hawkesbury River and watch the river pass on by.

Accommodations range from caravan parks to motels and everything in between, with more to come later.

We are planning on travelling on Friday 25 March 2022 and events will be planned for that day, Saturday and Sunday. For those who want, we will travel home on Sunday afternoon. Others may decide to stay on and do further research or just holiday.

Contact Pat at nfhsevents@gmail.com if you are interested in attending.

Events and Outings continued

A Day at the Bay Friday 1 April 2022

On 1 April 2022, we will be visiting the Tomaree Library and Community Centre at Salamander Bay. We will meet at the Library at 10am and visit the library and the Tomaree Family History Society which meets there on a Friday. After a look at the library's local studies area and a chat with our fellow family history buffs, we will head up to the look out, to view the area.

A visit to the information Centre and either morning tea or an early lunch. We can buy fresh seafood from the local Seafood Cooperative or call into the shopping centre at Shoal Bay and buy lunch and meet up at the now closed Shoal Bay residential complex. A walk around to the headlands and set up for a picnic lunch in the grounds. We might need to bring some picnic rugs.

There are relics of WWII gun emplacements and for the hardy a walk up to view the old radar station and the view of Shoal Bay and surrounds. When we are ready, we can head back to Newcastle.

Please email nfhsevents@gmail.com to book your place or message Pat on 0427 577 598.

Tour of Newcastle War Cemetery – a Hidden Gem Sunday 24 April 2022

How often have you driven past Sandgate General Cemetery and wondered about the neat rows of uniform headstones located close to the Pacific Highway adjacent to it? Who lies there and why does the garden-like setting seem different to the rest of Sandgate Cemetery?

This is a chance to answer those and other questions you may have.

You are invited to join a tour of the Newcastle War Cemetery on 24 April 2022 organised by members of the Newcastle Family History Society. Your guide will be the well-known educator, historian and author, **Ed Tonks** OAM. The (cost-free) tours will commence at 9.30, 11.00 and 1.00 with each tour taking approximately one hour.

Bookings are essential as the number for each tour is strictly limited. To book your place please contact Margaret Ashford at nfhscmm@gmail.com or 0438561549.

All these are listed in the main library catalogue. One item of interest is featured on the back cover of the upcoming issue of the Society's Journal – the 1861 chart of Newcastle Harbour which was prepared by the well-known harbour master David Tait Allan. Orientation sessions

The Digital Orientation session will go ahead on the planned date in March.

Whether the Print Library Orientation session can be run in March is still being worked out because of the lack of space in the Monica Gibbs Library. If it can be run, people will be invited by email from nfhscmm@gmail.com as soon as arrangements can be made.

Can You Help?

Extra volunteers are needed to do library duty if our rooms are to remain open as COVID-19 restrictions have left us very short of help. The library roster is on our website—[calendar](#)—as well as on the clipboards in the office area. There is an area on the website at the top of the Library Volunteers page, where you can **submit your name** and available roster time. Alternatively, you can send an email to our [Newsletter Editor](#) if you can help out. Helping others can be very rewarding.

The Society thanks those volunteers who keep the Library open for members and visitors. If there are no names listed to volunteer on one of the Thursday or Saturday library rosters, please phone the Society just after opening time on that day to ensure someone is there on duty. A very small number of NFHS members are doing their best to fill in the vacant spots until we have more volunteers.

Library duty

We do have a few gaps in the Library roster for December. If you could spare a few hours, please complete and submit your interest on the form at <https://www.nfhs.org.au/2021-calendar>

Anyone who has completed the Library Orientation course would be more than capable of volunteering for Library Duty. You are always rostered with someone who is experienced and it is a great way to increase your knowledge and assist your Society. **Everyone** has something special to contribute.
