August Monthly Meeting

Tuesday 2 August—2.00pm

Note: 2.00pm, not 7.30pm, for August

Janice Wilton

Jewish Cemetery—Maitland

Meeting will be held in the Rooms and via Zoom

The Maitland Jewish Cemetery dates from the late 1840s. It is now a state heritage listed site that provides insights into the history and nature of the Jewish community whose members settled, worked in and helped to develop Maitland and the Lower Hunter in the nineteenth century. The cemetery also provides an example of the ways in which research and sensitive conservation work have highlighted and confirmed the significance of the site and helped to ensure its future and stability. This talk will provide a brief history of the site, introduce people buried there, appreciate the work of the local stonemasons who crafted the gravestones with their Hebrew inscriptions, explain the nature of the inscriptions, and showcase some of the conservation and interpretation work supporting and communicating the state significance of the cemetery.

Janis Wilton will Zoom in from Canberra and may be joined by Joe Eisenberg. Janis is an Adjunct Associate Professor in History at the University of New England, and Joe is Emeritus Cultural Director of the Maitland Regional Art Gallery. Janis and Joe first encountered the cemetery in about 2008 and subsequently played a part in drawing attention to its state of neglect and to its significance.

Here is a link to Janis' bio on our 2022 Conference website:

If you would like to join by Zoom but feel you need some assistance, please contact our Secretary on nfhsinc@gmail.com.

The Zoom meeting connection for August's meeting is to the right. Please note the link to join the Zoom meeting changes each month.

July General Meeting

Member Peter Cave held our attention at our July monthly meeting when he shared the mystery of his great-grandfather George Cave, a mystery which has not yet been fully solved. Peter told us how George 'disappeared' from the Carrington area in 1898, before later being found in South Australia. All those who attended either in the rooms or via Zoom were fascinated listening to the story. But Peter has not yet finished as DNA testing has left Peter and his cousins with a whole new set of questions to attempt to unravel.

Thank you to Peter who made the journey from Sydney on a very rainy, stormy day to entertain us with George's story.

Welcome to our rooms

A reminder to our members that our rooms are now air-conditioned and are very comfortable. We would like to encourage you to visit the rooms to take advantage of the many resources that are available to you only by visiting.

We look forward to seeing you in the near future.

Condolences

We sadly report the passing of our member Neville Holahan. Neville has been a member for a number of years and spent many Saturdays volunteering in the Library.

Our condolences go to his wife Margaret and family.

Covid update and Duty of Care

Covid update

You will need to sign in with your membership number, name, time of arrival and phone number and sign out when leaving. Your temperature will be checked. Be prepared for limited numbers in the building and all computers will be in use. You must wear a face mask while in the building.

As the Delta and Omicron forms of the virus are aerosols, doors will have to remain open and so create a draft to allow through ventilation and the upright fans will be used to ventilate the computer area. If the temperature in the rooms warrants it, close the doors and turn on the AC. Please turn off when you leave the room. A face mask must be worn in air-conditioned areas.

You will need to wear a mask at all times and any food and drinks should be consumed outside.

Cleaning of all surfaces will need to be done after each user. All books, CDs, maps, etc will need to be quarantined after use for 48 hours.

Remember you can always borrow books in person or via click and collect. Contact the Librarian to organise click and collect on nfhslibrarian@gmail.com

We aim to maintain as healthy an environment as possible at the NFHS rooms and all are welcome to attend. Remember to wear your mask at all times and socially distance. If you are still hesitant, wear an N95 mask or wear two masks to safeguard yourself from the aerosol droplets.

If you are unwell, then please stay at home until you are well. Organise click and collect to continue your research from home and have a friend collect the books for you.

Journal and Newsletter

General

The eTeam welcomes new members who enjoy writing to join us and help contribute to the quarterly Journal. Everyone loves to read their Journal, however without contributions it wouldn't exist. The eTeam is always happy to receive articles about your family of a research interest to add to our award winning Journal. You never know when a fellow descendant will read them. Please share your family or local history story.

Remember that YOU retain your own copyright for anything that you write but we hope that you will sign and return the Copyright Agreement to better enable your articles to be shared through the Society. The Agreement is attached to this newsletter email.

Please remember to collect your Journals when you visit the library.

June Journal

Your June Journal 238 is ready to be collected from the Society or you should have it if you receive a digital copy.

September Journal

Due to the large number of articles with a military theme, September Journal 239 will also be about Military Matters. What military connections can be found in the history of your family? Did any member serve as a soldier, sailor, airman or nurse, on the home front or in one of the many theatres of war throughout the history of your family? How did you uncover your connections? We already have some articles, however your contribution on all things Military will be greatly appreciated.

Please send your submissions to [nfhseditor@gmail.com](mailto:nfhseeditor@gmail.com) by **6 August**.

December Journal

The theme for the December Journal 240 will be Creative Arts. Nearly every family has a creative or artistic member. Is this true of your family? Was this their occupation or did they simply 'dabble'? So many families treasure the art or craftwork that was completed by their ancestors as part of a time when this pastime filled the time we now spend with electronic media. Can you share your stories?

Please send your submissions to [nfhseditor@gmail.com](mailto:nfhseeditor@gmail.com) by **5 November**. The eTeam always appreciates your valuable contributions.

Receipt of your Journal

Our Journal is sent to many members as a PDF. Five advantages of receiving your Journal as a PDF:

1. All your Journal will be in colour
2. A digital copy is good for the environment
3. You can use the search function 'Ctrl F' to find subjects quickly
4. Hyperlinks will work immediately
5. You can adjust the size of your print for easier reading

If you would like to change your preference so you receive your Journal as a PDF, please send a message to our Membership Registrar on nfhsmembership@gmail.com.

Rookwood Cemetery

Friday 2 September 2022—10.00am

We will be visiting Rookwood Cemetery on Friday 2 September. We will meet at the coffee shop just left of the entrance on Weeroona Road, which is off Centenary Drive/Homebush Bay Road, at 10.00am for coffee, breakfast or a snack. Back to the café at 12.30pm for lunch.

We will travel to the four cemeteries at Rookwood for the purposes of private research.

- Rookwood General Cemetery
- Rookwood Catholic Cemetery
- Rookwood Crematorium
- Sydney War Cemetery and Garden of Remembrance

The staff of the General Office and the Catholic Office will research your relatives if you supply sufficient information for them to find the grave, and provide a map for you to discover your relative's grave. They will need: date of death, portion of the Cemetery person may be buried in (Baptist, Catholic etc), their date of birth or age at death to identify your John Smith from a dozen others. Also, if there are alternative spellings of the name, they may be helpful. If you email your requests to the appropriate office they will be able to supply maps and details to find your relatives grave. The three cemeteries have deceased search sites online.

- Catholic Cemetery office (02) 9649 6423—www.catholiccemeteries.com.au
- General Cemetery office (02) 8575 8100—www.rookwoodcemetery.com.au
- Rookwood Memorial Gardens & Crematorium (02) 9746 8945—www.rookwoodcrem.com.au
- Sydney War Cemetery and Garden of Remembrance Rookwood—www.cwgc.org

For the history buffs, I have a self-drive tour of the Catholic Cemetery.

Any questions and to book your spot for the event, please email nfhsevents@gmail.com or text Pat on 0427577598.

See you there.

Family Tree Maker Special Interest Group

Do you use the genealogy software Family Tree Maker? Or would you like to learn to use this software?

Family Tree Maker is an easy-to-use program that has proved to be very popular since it was released in 1989. It allows you to keep track of the information that you collect during your research. It allows you to insert photos and documents, then create reports, charts and books that are compiled from the data you have entered in your tree. All this information is able to be synced to Ancestry and saved in the Cloud ensuring you don't lose your hard work.

The Family Tree Maker SIG meets on the fourth Tuesday of each month at 1.00pm at the Society's rooms. We would love you to come along and join with us. Over the next few meetings, we will be looking at some video tutorials on using various aspects of the program.

Contact [Lea](#) to let her know if you are going to attend. Please bring your laptop, fully charged, as there are not enough power points.

Library duty

We do have a few gaps in the Library roster for August. If you could spare a few hours, please complete and submit your interest on the form at <https://nfhs.org.au/calendar/>

Anyone who has completed the Library Orientation course would be more than capable of volunteering for Library Duty. You are always rostered with someone who is experienced and it is a great way to increase your knowledge and assist your Society. **Everyone** has something special to contribute.

Can You Help?

Extra volunteers are needed to do library duty if our rooms are to remain open as COVID-19 restrictions have left us very short of help. The library roster is on our website—[calendar](#)—as well as on the clipboards in the office area. There is an area on the website at the top of the Library Volunteers page, where you can **submit your name** and available roster time. Alternatively, you can send an email to our [Newsletter Editor](#) if you can help out. Helping others can be very rewarding.

The Society thanks those volunteers who keep the Library open for members and visitors. If there are no names listed to volunteer on one of the Thursday or Saturday library rosters, please phone the Society just after opening time on that day to ensure someone is there on duty. A very small number of NFHS members are doing their best to fill in the vacant spots until we have more volunteers.

Note to Volunteer Librarians re Publications

When on Library duty try to find time to look through the display copies of our Publications available for sale. These books are displayed in the front section of the reception desk. Information on most of our Publications is in the white folder in these shelves. If you have to sell one of our Publications, instructions and everything else you need is in the folder in the sales pigeon hole. It contains many important hints and also my mobile number should you need to contact me with any enquiry.

Information on most of our Publications is in the white folder in these shelves. If you have to sell one of our Publications, instructions and everything else you need is in the folder in the sales pigeon hole.

Remember that members receive a 10% discount on their first purchase of any of our Publications that cost \$10 or more. This means if you purchase a copy of say three different Publications, you will receive 10% off each of the Publications. For example, if you purchase *The Story of Lambton* and *Christ Church Cathedral* today, then *They Sent Me North* next week, you will receive 10% off each of these. Then if at some stage you purchase a further copy of one of these publications, you would not receive a discount on the second copy. However, you would continue to receive 10% off any other Publication that you have not previously purchased.

Our most popular Publications are *The Story of Lambton* and *Christ Church Cathedral*. These Publications are available as books or on USB. You can pick up a copy of our Publications Catalogue at the Society Rooms or have a look on our website under [Publications](#).

Joke of the Month

A man checked into a hotel. There was a computer in his room, so he decided to send a mail to his wife. He accidentally typed the wrong email address, and without realising he sent the mail to a widow who had just returned from her husband's funeral. The widow decided to check her mail, expecting condolence messages from relatives and friends. After reading the first message she fainted. The son rushed into the room, found his mother on the floor and saw the computer screen which read:

To my loving wife, I know you are surprised to hear from me, they have computers here and we are allowed to send mails to loved ones. I've just checked in. How are you and the kids? The place is really nice but I am lonely here. I have made necessary arrangement for your arrival tomorrow. Expecting you darling. I can't wait to see you.

They Served Their Country

Do you have a serviceman or woman in your family whose story deserves to be shared with others? If so, you might like to start writing or collecting appropriate images now for submission to our Society's new publication!

We are looking for stories of service either on the home front or in any theatre of war. There is no limit in time or country – you might have a French ancestor who was involved in the Resistance for example, or maybe your ancestor was a prisoner of war at some stage and you are the family custodian of an artefact he made during that period. Perhaps you have submitted a story for our Society's Journal on a military theme but now, with an expanded limit of 3000 words or less per story for this new work, it would be a great opportunity to further develop that story.

It matters not the country, nor the war, – your contribution to our next publication, *They Served Their Country*, will expand our understanding of the past and hopefully lead to a more tolerant future.

Any submissions or enquiries please email Ken or Maree Shilling

Notes from the Management Committee

The NSW-ACT Conference

The NSW-ACT Conference is being hosted by NFHS and Beyond Maitland FHS in September 2022. We will be hosting a gathering of members at the rooms for the Conference presentations.

If you would like to be part of the Society gathering, please contact the [Treasurer](#) Marie and pay the Conference fee of \$30 to her. At the time of the Conference, you will receive various links connected to the presentations. We are limited to 20 at any one time in the rooms.

On the Sunday, we are hosting a trade table at the Maitland site, in the grounds of the old police barracks. If you can volunteer two hours at either 10-12 or 12-2pm, to assist in the sale of publications, enquires about membership or general enquires about family history, we would be grateful for your support. Please email the [Secretary](#) with the time you will be available to help. Thank you.

Mid-year Financial Report

Our Treasurer has prepared the mid-year financial report, copy of which is attached to your newsletter email.

Family History Month

Family History Month is fast approaching. During August there are a number of activities planned and we hope members and their friends will support them. (See page 4 for full information.)

Library Opening Hours

We note that the Library is not being used by many members, with some weeks having only one or two users on a Thursday and sometimes no users on a Saturday afternoon. A sub-committee of the Management Committee will be reviewing Library usage over the coming weeks and reporting to the Management Committee. Illness means that the number of members available for Library duty has decreased. Please understand that if Library volunteers cannot be found to open the Library, then the Library will have to be closed on those days.

Wish List for New Equipment for the Library

To help with budgeting for the Society, would facilitators of groups email the [President](#) with requests for new equipment or equipment replacement items. Please include details of the equipment request and approximate costs. This does not mean we can purchase all that is requested but will allow us to budget for essential items and to prioritise requests for possible future purchase. If any member sees a need, could you also bring it to our attention. Thank you.

Using Zoom

Mel will present two sessions on How to Run a Meeting/SIG Course Virtually. These will be held on 1 and 10 August (see page 5 for more details). Suggested attendance is for facilitators of SIG's, other Society groups and anyone interested in learning to run a Zoom session.

Future Events

Some future events that might interest you:

Convict SIG open day on Saturday 15 October. If you have some research, stories, or items that you wish to contribute to the display, please contact the Convict SIG facilitator, [Laraine Cross](#), or [Pat Healion](#). Some members have already indicated their wish to contribute and a member of the ACT FHS has volunteered to speak on "Early Romani Convicts". What can you contribute?

Scottish SIG is proposing an open day in late January 2023.
