

Quarterly Newsletter Report June 2022

I am continuing to enjoy preparing the newsletter each month and continued thanks go to all the those who provide items every month.

Financials

Sixty stamps were purchased on 11 April 2022. I have 14 stamps at present, so will need to purchase more for the August newsletter postage. Currently there are 13 members receiving their newsletter by mail so these stamps will be used for the July newsletter postage.

Thanking you.
