

Quarterly Newsletter Report September 2022

I am continuing to enjoy preparing the newsletter each month and continued thanks go to all the those who provide items every month.

Financials

I purchased 60 x \$1.10 stamps on 28 June 2022 which gave me a balance of 59 stamps. Have used 15 of these. Laraine Cross emailed me saying she had a number of stamps of varying denominations that she would like to donate to the Society towards newsletter postage. These equated to 46 x \$1.10 stamps. So, I now have 90 stamps. At this stage there are 15 people receiving their newsletter by mail. I sent Laraine an email thanking her very much for her generous donation.

Thanking you.
