

## **Quarterly Newsletter Report March 2023**

I am continuing to enjoy preparing the newsletter each month and continued thanks go to all the those who provide items every month.

### **Financials**

Stamps have risen in price (January 2023) to \$1.20 from \$1.10.

Since the last report, I have used 31 stamps - 16 for February and 15 for March newsletters. I have purchased 60 stamps at a cost of \$72.00 as I have run out of the stamps that were donated by Laraine Cross.

So, I have a balance of 65 stamps.

Thanking you.
