

## Facebook Quarterly Report

### For June 2023 Management Committee Meeting

The NFHS Closed Facebook Group now has approximately 2,050 members. It remains an active and enthusiastic group of like-minded people. Members continue to have polite and friendly interaction with one another with very little call for administrative intervention.

The statistics available to the admins make it easy to keep track of those who regularly post and we have a number of regular items which are posted on a daily or weekly basis.

The vast majority of our members reside in Australia with 554 from Newcastle and 350 from Sydney. Other state capitals have representation as do some other countries.
