

Snippers quarterly report September 2023

We are still working on the 1936 newspaper.

Purchases

6 heat seal binders

Glue

Budget is still within allocation.

A service call was made to CBTech for the photocopier on Wednesday 6 September. Result not good, Scanner has died. Waiting on quotes for new one.

As there will be no copier on Wednesday 19 Sept, I have cancelled 'Snippers' for that day.
