Welcome to this edition of our Newsletter.

It is only a few weeks until our 39th State Conference and the Annual General Meeting (AGM) and Forum. The Conference will be held via Zoom, with the AGM at the end. Details in Upcoming Family History

Events below.

It has been great to see so many family history and historical societies donate prizes for our raffle. We have over fifty-five raffle prizes so don't forget to pay for tickets when you book for the Conference. All the speakers are members of the committee with great experiences and expertise in family history.

Recently, Museums of History NSW (State Archives) requested family history societies to assist with the transcription of the Small Debt Registers of which there are over three hundred volumes. I am excited to say that some societies put their hands up to assist with this project. If anyone else is interested in transcribing some books, just contact Martyn Killion Museums of History NSW – Martyn.Killion@records.nsw.gov.au I look forward to seeing you at the Conference.

Best Wishes to all our members,

Gail.
